Statement of Goals and Objectives

In a few paragraphs, please state your reason(s) for joining CVTA; your reason(s) for wanting to serve on the CVTA Board of Directors; your vision for the future direction of CVTA, and the reason(s) that you believe that you can help CVTA realize that vision:

Having been a member of CVTA for over 20 years, I have had the privilege of serving on the board for 2.5 terms. During this time, I have enjoyed assisting with very important changes within our industry (ie. ELDT, CDL Testing Challenges, Covid Restrictions, and numbers FMCSA and State Regulation changes). I would appreciate being re-elected so I can more closely resume working with the Board of Directors to ensure we always have the entire membership's best interest in growth and sustainability.

CVTA Members deserve to receive vital updates of new State and National regulatory issues, along with guidance on best practices for compliance and education. I am confident that my tenacious advocacy, experience, and dedication to the transportation industry will again serve as a great asset to CVTA and all its members. Please consider voting for me as your next Associate Board Member.
