In a few paragraphs, please state your reason(s) for joining CVTA; your reason(s) for wanting to serve on the CVTA Board of Directors; your vision for the future direction of CVTA and the reason(s) that you believe that you can help CVTA realize that vision:

After working with schools, carriers, and drivers for 10 years now, I have come to love and appreciate truck drivers and the people who train and employ them. I see CVTA's main role as an advocate and a resource for driver training schools. I believe I offer expertise specific to student financing and can add value for all CVTA members by sharing my experiences and ideas. I think offering those ideas and coming up with new solutions will help CVTA be an even more effective resource.
