*Having served on a number of boards over the course of my career, I can say my association with the CVTA is the most rewarding from an accomplishment and a people standpoint. Not only is the organization truly committed to its ideals and its focus on member benefit, but as it generates an atmosphere where ideas and strategies are shared in an open collegial format in order to raise up the potential of any member showing interest; it is unparalleled in my opinion. This board really is a group of like-minded individuals wishing to serve, and for the betterment of members and associates often over their own self interests. In this respect, it is an honor to be affiliated, and I hope to continue that affiliation.*
