Statement of Goals and Objectives

In a few paragraphs, please state your reason(s) for joining CVTA; your reason(s) for wanting to serve on the CVTA Board of Directors; your vision for the future direction of CVTA and the reason(s) that you believe that you can help CVTA realize that vision:

1. Since Swift became a member of CVTA, I have served on various committees. Over the last few years, I have seen CVTA began to become the organization that many of the founders envisioned when a few of them were sitting around that one table in 1997 that became CVTA. I, for one, have experienced and seen the impact of CVTA growing into a meaningful and nationally respected association.
2. This association has helped me become a better leader.
3. Also, over the past few years CVTA has been an important ally and resource at both the State and National levels, as we navigated numerous policy and legislation changes.
4. I would be honored, if elected, and would cherish the opportunity to give back to the organization and help CVTA to continue its quest to promote excellence in training and develop safety in the transportation industry.
